### **THOUGHTS FROM LIZ:**

Hi to you all on this beautiful autumn day. What a fantastic Run we had on Saturday to Hautapu. You can read all about it in Ted Handley's write up in this Magazine. It was so great too have many Members join us who we hadn't caught up with for a while. It's always so nice to see you all again. A huge Thank you to Gary Bexley for organising such a great run for us and to Estelle his lovely Wife for supplying a very mouth-watering morning Tea. We were so blest with the weather despite the fact that we really did need more rain. Our April Event sounds amazing and a big Thank you to Dennis & June Catchpole for all the planning they have put into it for us. You will find all details about it in the Events Calendar.

We have just finalized the details for our Annual AGM & Awards Dinner, and you will have received your Invitation in this Magazine. For those of you who received Trophies last year could you please get them back to either me or one of our Committee Members by end of April, as we will need to have them engraved for this Year's recipients?

Please keep in mind that we are always open to your thoughts & ideas for future runs. & places of interest to visit.

We have reserved 20 rooms in the Plymouth Hotel for the Easter 2021 National Jaguar Rally in New Plymouth .This is within walking distance of the Devon Hotel where the Headquarters for the Rally are going to be.. Last October when we rang to make our Club booking. we were told the Devon Hotel was booked out, so it was great to be able to secure these many rooms to be together.

The days are getting shorter, and the nights longer and cooler. It's so good that we live in a part of the World that experiences all the 4 Seasons. Often we just take them for granted, but after the beautiful summer we have just experienced I am grateful for them all.

Take care, Happy Motoring,

*Liz*
