

Christmas Luncheon—December 2019

By Colleen Clark

On Sunday December 14th 80 members of the Jaguar Club met at the Fairview Golf and Country Club where a festive air prevailed and people greeted each other with hugs and kisses, the delightful pleasure of catching up again with the Jaguar Family as we are now considered, very evident.

After a warm welcome by our President Dennis, a beautiful raffle which was put together by him and his wife June was drawn and won by a thrilled Dave Penn. I know he was wishing Liz hadn't noticed as he would have been able to tuck it away and give it to her for Christmas. That would certainly have given him some Brownie points.

Following this, an auction was held, firstly for the boomerang wine bag filled with goodies. The strange thing about this is that it is a double whammy, you win the auction, drink the Booze, enjoy the Christmas treats, then fill it again for the dinner the next year

so in effect you pay double.

Not many things work that way do they! A successful amount of money was paid by Lynley and the comment was that "It was a lot cheaper than an all Blacks Jersey which had cost a bomb" at an auction recently.

The second item auctioned was a stunning looking Leaper which was won by Dave McLoughlin which I am sure will sit by his bedside table filling his night with car dreams.

The most beautiful lunch was served at the tables.

What a pleasant change from the “get up, fill your plate, go back for seconds while hoping no one is looking” scenario. There were no complaints about this spread, and it was followed by a finger food plate of mouth-watering sweets.

A big thank you to John Devine for organising this day, it was a charming way of socializing on a Sunday, a good choice in a busy week.

Christmas Greetings to you all and we look forward to our next catch up.
