THOUGHTS FROM LIZ:

Hi to you all.

I hope that those of you that came on the Art Deco trip have come home again with many great memories, and new friendships formed and old friendships renewed.

What a wonderful trip it was, and a big THANK YOU again to John Bourke for arranging such a fantastic and interesting time. You can read about all the places we went to and roads we travelled in articles in this Magazine by different Members daily write ups. Dave mentioned to me on arriving back home that we had done approx. 1220 k's on this trip so it gives you a bit of an indication of how far we travelled all up. This is why we're called "Jaguar Drivers Club. BOP "

On the 9th Feb we were invited as a Club to display our Cars at the Te Puke A&P Show. Thank you so much to those members who gave up their Saturday and came along to this event. We had 8 Cars in total including Salesman Grayson & his Wife Sarah representing Duncan & Ebbett in the latest Jaguar E-Pace. A fun time was had by all. See a couple of pictures of this from Peter Davies our Editor on page 26 in this Magazine.

We have some great runs coming up in the next few months so please diary these so we can have the pleasure of your company and cars join us, and also see some great places on the way.

Gary Bexley has arranged our March run and Dennis & June Catchpole our April one. We so appreciate our Club Members organising these runs for us and if any of you have any suggestions please let me or anyone of our Events Committee know.

Until next time, take care of yourselves, keep calm, and carry on enjoying your beautiful Jags.

Liz
