The July run to Ngatea/Paeroa started off a bit chilly but those with older cars felt it worse. I just turned the heater up and seat warmer on! It was great to meet some of the new members who seemed to enjoy themselves and fitted in well.

I mentioned to those at the event that I intend to do some “pop up” runs. These will be spur of the moment runs with little notice or planning. Designed more for company to events that one might normally go to by themselves. Going back to the Maritime Museum in Paeroa for a river cruise was one I mentioned and many were putting their hand up straight away. Another idea is a picnic at McLaren Falls. Only 30 minutes from Tauranga and Matamata. Great place to relax and throw a line in (if you have a license). These are not actual club events.

When I sent out invitations to the coming Taupo/Kinloch run, the response within the 1<sup>st</sup> 24 hours was amazing. Seems to me weekends away are popular. Final details regarding meeting places, timing directions, addresses etc regarding this event will be sent to you shortly.

It would be appreciated if ALL members could reply to the invitations so that we know that they are receiving them.
