I'm pleased to say we finally got to go on our run to Taupo and view the Barry Hoffman car collection. Well worth the effort the events committee put in.

Numbers are building nicely for the club Christmas Luncheon. As I said in the last magazine, this is the last event for the year. It will be nice to relax with friends before the Christmas mayhem starts.

The 1st club event next year is the Rotorua Car Show. Apart from displaying our cars, we get a chance to view a large selection of many other makes and models. It is also the day that the club concourse is held. If you wish to have your car judged you will need to put your order in with Santa for extra polish etc.

Earlier this month I did one of my "pop up" events to the Katikati Iris gardens then on for lunch. It was a lovely day attended by about 20 of us. I will be doing a similar event early next year to the Lily gardens in Cambridge.

On January 22nd there is the Historic GP in Rotorua featuring the History of Jaguar Racing. Apparently, entry is free if you take your Jag and you will be allowed to do a lap on the track.

I will email further details and invitations regarding all the events in January and February at regular intervals over the following weeks.

If I don't see you before, I hope you have a great Christmas.
