I hope you all had a great Christmas and a good start to the new year.

The events committee had events sorted well into the new year but as you well know, the two January car shows got cancelled, mean we had to organise a new event which would have been and gone by the time this issue of the magazine reaches you.

At the time I am writing this, the Eilerslie Car show in February is still on. I'll send details soon.

The Britz and Euro car show in March has also been cancelled so a new 2-night run was arranged and emailed out to you all late January as bookings for accommodation had to be in early. I hope the overlap of invites has not confused you too much.

Here's hoping Our club Jag show in April goes ahead as planned.

I have had numerous enquiries regarding the Matakana run. I'm itching to put this run together but it seems car shows take presidency, so as long as they keep shifting, so does this event.

2022 is going to be a great year. Plenty of club events, Wendy and I are getting married and maybe I will get my XF back from the mechanics. Miracles can happen?!
