Unfortunately, I was unable to attend the Club Day/Concours but I heard it was a great success. I look forward to reading June/Dennis account of the day.

Invites were sent out for the Paeroa River cruise. There is still time to join us on this run.

The next event is "Meet the Alpacas" and lunch in Gordonton. Purely by chance, the date we chose is the same day the Waikato Jag Club are going there. Will be a great display of cars.

Invites will be sent out as soon as details are finalized.

The venue for the AGM/ Luncheon is the Fairview Golf and Country Club. You will find a separate invitation to this event with this magazine.

We are working on a run to the Wairarapa district. Co-founder of Weta Workshop Sir Richard Taylor has offered to host our club at his private residence - A guided tour of his property, sculptures, miniature railway and a visit to a collection of vintage aircraft. Too much to see and do in one day so will be a 4-day event. Don't miss this one! Exact dates will be sent as soon as I can. Plans are for NOV 25-29th?

I'm thinking we could sometimes hold events on Saturdays. Also thought we could have evening events. I would like to know your thoughts. Flick me an email, give us a call or chat to me at the next event.
