The AGM/Luncheon went down a treat. Had nothing but positive comments on the menu.

I wrote this article before the Otorohanga Kiwi run as I had plenty of spare time while getting over a dose of covid. A write up on this event may not make it into this magazine.

The next run is to the Thames market, lunch at the beach and a tour of the Goldmine. I'm looking forward to this one.

In August there is the Daffodil fundraiser Rally. Would be good to see as many of you as possible for this worthy cause.

In September we will be supporting the 100 Years of Jaguar event and Classic Jaguars book launch in Tauranga at the Classic Flyers Museum by the Tauranga airport. All we need to do is turn up with as many cars as possible.

In October there is the Rotorua car show. This event was cancelled in January so it is great that they are able to reschedule it.

I have had an overwhelming response to the November run to the Wairarapa. Plans are underway to fill the weekend with fun and exciting events. Former member, Christine Warner has been very helpful putting this event together.
