There are a few things on the go at the moment with 4 invitations currently active and in your emails. Please check them carefully so you don't miss out on anything. They are all listed below for you to double check against.

The most important event at the moment is probably the 100 Years of Jaguar. As you are passionate about your cars, it is a great time to display them to the public. This event was cancelled last year. Dennis Catchpole had mustered up 100 cars then, so there is no reason why this can't happen again. There will be cars there representing other clubs, so a good turnout from our club is expected.

The run to Te Kowhai/Rangiriri is purely a social event with a bit of a cruise down the new Expressway.

The run being planned to Maketu is also based around catching up with fellow members and friends.

Plans are starting to shape up nicely for the Wairarapa run. More in depth details will be sent when a few of the other events have cleared.
