The run to Rangiriri was enjoyed by all especially Steve and Pauline Carr in their recent purchase of a 2017 F Type. A very smart looking car. The weather was superb and the meals bigger than most could handle.

It was nice to meet new member Jesse Hutchins.

You would have received your invite for the run to Maketu. Once again this is purely a social event which seem to be going down well with all that attend.

The 100 years of Jaguar event was another sunny day and a very successful event.

Gary Johnstone, who wrote an article in the last magazine, raced in the classic cars races at Pukekohe in his V2 XJS. His car looked stunning and did Jaguar proud achieving a lap time personal best.

Christmas lunch is booked for the 11th December. Formal invitations for this and the Rotorua car show will be sent out in due course.

Please reply to your invitations.

Oct 6th: Maketu Lunch run

Oct 23rd: Auckland Jaguar dinner (not a BOP club event).
