

WAIKATO EXPRESSWAY RUN - 8th Sept

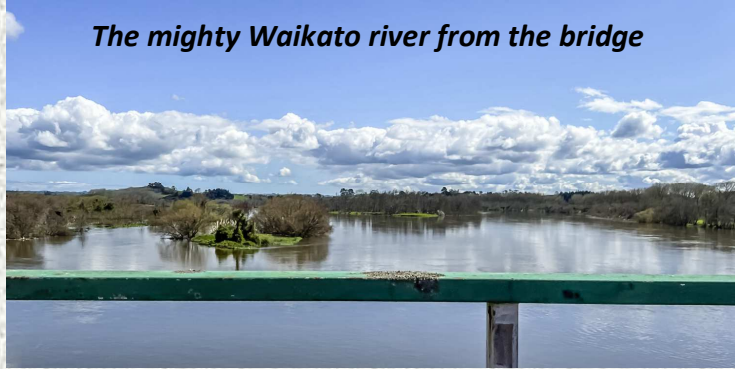

By Gaylene Dovaston

Another well organised run, through the back blocks of Karapiro, Cambridge & Hamilton to our morning tea stop at Te Kowhai Village Cafe. Then on through to Huntly, on the 'other side' of the river to lunch at the Rangiriri Pub, where thirsts were quenched, and generous portions of tasty fare were consumed.

Going our separate ways, we made our way home, by way of the new, and very impressive bypass road.

Of note there were No JAG Double ups till our Te Kowhai Stop, where we picked up a few more members, including a second F type.

The photo of us all waiting to cross the Rangiriri Bridge shows a couple of 'Foreigners' Steve & Natalie's Jag was in the workshop, they chose not to bring the mini, giving Natalie's car a good run instead.

And a little Suzuki with a rather impatient driver on board... all that passing, and she still had to wait for the green light with the rest of us.

My father in law used to say... 'It's better to be 5 minutes late in this life, than be too early into the next'.
