It seems to get harder to write my page every month. I can't blame covid too much. Publisher deadlines, postal problems and bad weather making my last months account a little silly!

This is the last magazine until February, so an account of Novembers event in the Wairarapa won't come out until then.

Even though there is no magazine in January, I will still be sending invitations out for the Rotorua Car Show and a trip to the Hamilton Gardens. Both in January. Plans are underway for a trip to Te Aroha to a couple of Art/sculpture places and lunch.

Plans for the Britz & Euro car show in March are also taking shape. A 1-2 day trip.

There is a good turnout for the Christmas Luncheon. If I don't catch up with you there, have a safe and happy Christmas and New Year.
