It was a shame to hear that the Brits and Euro event was spoilt slightly by many members getting food poisoning. Apart from that I hear it was a great weekend. Thanks Don Bowater and Co. for organising that event.

I always ask someone to do the write up on each event. Once you have had a turn, it is a long time before you will be asked again. It is unfair to expect the same people to do it all the time.

For the first time since I have been Club Captain the person I asked (at the Offroad event) refused. And I will add that she was very rude about it too. Everyone that was near were quite disgusted with her attitude.

Not only that, she turned up to the event without replying to the invitation expecting to participate and be fed.

If everyone helps a little it makes the events run smoother and more enjoyable for all.

The next event is to Ross Bros. Muscle Garage. Please note the date has changed from that published in last month's magazine. Some of you may have been there before but there are a lot of new members that haven't and I am told that it is bigger and better than before. An invitation will be sent out in due course.

See you at the next event.
