

# Geoffrey's return to Goodwood 2008

In the June magazine, I placed an article regarding an Arnolt Bristol Bolide Roadster. (Page 30) Low and behold, one of our members—Geoffrey O'Connell—used to own and race one of these cars.

Friday 19th to Sunday 21st September saw Goodwood Motor Circuit Revival Meeting celebrate its tenth anniversary under sunny, clear blue skies. Geoffrey also celebrated his first return here since the nineteen sixties. Equipped with the 1954 Arnolt-Bristol Bolide, Groc's racing team can declare with pride that he raced against Sir Stirling Moss for the Fordwater Trophy and came out on top. The old adage always holds true - "To win, you first have to finish."
