The lunch at the Okoroire hotel, in June, to collect all the knitted baby items for the "Little Miracles" was well supported. Read Wendy's article in this magazine.

The cheese tasting run to Over the Moon in Putaruru went well. I was very impressed with the extra effort they put in to look after 2 of our members whom were unable to negotiate the stairs. Read Warren's full report of the event also in this magazine.

You will have received the invitation for the next event, the Daffodil Day Rally, organized by the Tauranga Vintage Car Club. Last year this event was well supported by our club. They have promised more food this year. Unfortunately, Wendy and I are unable to attend this year but I do support the Cancer Society, currently by making wig stands. If you or a family member or friend could benefit from one of these, give me a call and I'll give you one F.O.C.

Plans are well underway for the Raglan 3-day event. We will get the invite out asap so we can secure the accommodation/restaurants etc.

All other events listed below are just needing finalizing.

Wendy and I are currently holidaying in the South Island. We'll catch up with you on our return.

Wendy asked me to add "please try not to cancel your attendance to events late as it makes Noel grumpy"
