Welcome back. Hope you all had a great Christmas and Happy New Year.

The first club event for the year was a picnic at Karapiro which was well supported. You can read new member Janet Hugh's report in this magazine.

The second event was to be the Rotorua car show and club concours but I was misinformed that it was going to be postponed due to bad weather so I cancelled the event. My apologies. We will reschedule the concours for a later date.

An invitation has been sent out for the Warkworth 2 night event. There will be plenty happening on this trip. There is still time to join us, if you can get accommodation.

The Ellerslie car show is on 11th February. 10am-4.00pm. The committee hasn't organised a run for this but if you intend to go let me know and I can put you in touch with others that will be going.

The Britz and Euro car show weekend will feature a drive, dining and socializing, and a nights stay before the car show on the Sunday. Look out for the invite.

The events team will get our heads together to make plans for more events in the following months. Thanks to those of you that have been sending me ideas for future events.
