

RUN TO KARAPIRO - 5TH JANUARY

By Janet Pugh

This is the first run of the Jag owners club in the Bop of the year, the day started with sunshine and a touch of cloud and the Tauranga contingent met at Tauriko Pak-n-save car park.

About nine cars left at 9.00am to drive to Keeley Park Reservoir, Karapiro, to meet up with other club members making a total of around 19 cars for a morning tea/coffee stop, all very congenial and what a lovely sight it was to see so many different vehicles looking resplendent in the sunshine.

Noel proceeded to hand us a 'route finder sheet' to Waipuke Reserve for our picnic lunch that would take us approx an hour through some of the most delightfully scenic country side that this island has to offer with amazingly lovely sealed roads minus any potholes, quite extraordinary.

The navigators were not needed to source the route as we all followed Noel from Keeley Park in convoy which turned out to quite a spectacle for a number of locals who were either working on their farms or driving tractors.

We were extremely fortunate with the weather as the sun shone while we had lunch and Janet & Jim Newby's to the club were able to meet & interact with all the members and made

us feel very welcome.

We all departed around 1.30 to return home and we were around 40 minutes from home when we stopped to put the top on our convertible for the only time due to some 'moisture!!!'.

Thank you all for making this day out very enjoyable for us.

Janet
