The run I have been wanting to put together for the last 3 years finally happened. Warkworth and surrounding areas. Read the account of the 3 days in this magazine.

It was attended by a smallish number of members but it worked well for all to socialize as a group.

The Britz and Euro Show is the next event. This is being attended by a poor number of members which will more than likely result in it not being a club event next year.

It takes a lot of time and effort to organize these overnight events just to be let down by poor attendance.

The Craigs Investment Seminar was also canceled due to poor attendance.

The events committee will think long and hard about future events, hence there is none currently planned except the AGM/Awards Luncheon in May.

What event do you folk want to do? Let us know.

This brings me to the time to mention that at the AGM I will not be standing again as Club Captain, and to date there is no replacement. Maybe You can put your hand up and do your part for Your club.

I will still be staying on the events committee.

May 5<sup>th</sup>: AGM/Awards Luncheon
