Hi all. The Bingo event at the Okoroire Hotel went well raising \$625 to go to Breast Cancer research. Read Dave Penns account of the event in this magazine. Covid is still disrupting event plans and members cancelling, but so does hip replacements and the common flu. I wish all those affected with any ailments at any time a speedy recovery.

The calendar is filling up. Even though the events and dates are not 100% set, the list below will give you a good idea of the plan we have for the next 12 months. We are endeavoring to plan all events for the first Friday or Saturday of each month, but as you will understand, this is not always possible. You will notice the next event, in July, is the second Saturday. Proving my point. Wendy always tells me, "Rules are made to be broken".

Every third Sunday is still brunch at 10.00 am at Café Nourish Te Puna.

Both the Auckland and Napier Jag clubs are interested in having joint events with our club sometime, so will need to slot these in somewhere as well.

A busy calendar!

From Merchandise Manager Alan Judd:

Embroidery - a New Service for Club Members

If you have any articles such as shirts, T-shirts, jackets etc that you would like a Club insignia embroidered on to we can get that done for you.

The company that does our Club embroidery can do: "Jaguar" (with leaper) by itself "Jaguar BOP Drivers Club" (with leaper)

They have these ready prepared so cost is very reasonable at about \$12.

If you have anything you want doing, see me (Alan Judd) at any Club event.
