We have had some great events since the last magazine was published. I'm unsure what will make this magazine or will carry over to the next. Peter Davies will weave his magic and get us all back up to date in time.

The issue of people not replying to invitations or replying at the last minute is on going and caused a lot of issues with the recent Ross Brothers event. So, from that event forward, all events will have a cut off date. There will be no late entries. This is not only for the events committees benefit but for the cafes etc. Thank you to the sole person, out of 20, that apologized for their late entry.

The next event was published as going to a police museum and Zoo but we have to remove the zoo part as of school holidays. Kids are not a problem, as the Ross Brothers event proved, but the parking would be.

Minor problem with trying to plan too far ahead.
