From all reports, the Police Museum event was a success. Unfortunately, I was unable to attend due to a sore back. My back eventually came right until I decided to go surf casting with my new rod and reel. Back to square one!

The next event is to a private car collection in Ngongotaha with morning tea provided then to Rotorua for lunch. You would have received your invitation and hopefully replied before the cut off date.

The following event is our clubs Christmas Luncheon. Glennys has already sent you an invitation. It's a good chance to catch up with friends again and have a nice meal, knowing you don't have to rush off to the next stage of an event or go home and cook a big tea.

This will round off another year nicely.

The events committee is aware of the fact that over summer there are a lot of car shows. Not all of them will be club events but we will keep you updated when and where they will be held. Dotted between these events we will put in a few more casual events just to get you out and about enjoying your cars.
